

# Arepo Desir

Developer

Atlanta, GA | [678-310-9727](tel:678-310-9727) | [hello@whoisarepo.fyi](mailto:hello@whoisarepo.fyi) | <https://whoisarepo.fyi>

## Summary

I am a Versatile Software Developer with over 5 years of professional experience building scaleable web applications and software solutions. Proficient in modern JavaScript ecosystems ypeScript, React and functional programming (Clojure), with backend proficiency in Python, Java, & Golang. Currently pursuing a B.S. in Cybersecurity.

I am actively looking for any team or project to grow my software abilities and career, leveraging my proven ability to manage projects from concept to deployment.
